

Late Start Tuesdays Begin in 2010-2011

Beginning in the 2010-2011 school year, McHenry High School will implement a Late Start program. On Tuesdays, the start of school for students will be delayed by fifty minutes. The purpose of Late Start is to provide teachers with common meeting time to facilitate the development of a professional learning community.

During this time, teachers will analyze student data, set department goals and collaborate with colleagues with the common purpose of improving student learning.

An informational session regarding Late Start Tuesdays will be held at both East Campus and West Campus during parent-teacher conferences on February 10, 2010. Conferences will be held in both buildings from 5:00 – 8:00 PM.
