Notice of Title I Waiver Request

NOTICE IS HEREBY GIVEN that McHenry Community High School District 156 has made a request to the United States Department of Education for a waiver of the determination criteria in Section 1113(a2): Eligible School Attendance Areas of the Elementary and Secondary Act. Section 113(a2) states that "eligible school attendance area in which a percentage of children from low-income families is at least as high as the percentage of children from low-income families served by the local educational agency as a whole." Under these guidelines McHenry Community High School District 156 is limited in its ability to allocate Title I funds appropriately to serve the students of both McHenry East and West High School.
